c/o Jennifer Taylor

Dear Jennifer,

For the very first time, we are running a summer camp for children at our Lobstick Lodge family programs camp. From August 7-12, there will be a camp for 9-11 year olds and from August 14-20 a camp for 12-14 year olds. This is an interagency project involving the resources and skills of a number of different agencies and services.

The program will be built around a wilderness first aid course and we hope to be able to give the children certificates of completion. Along with the course there will be canoeing, swimming and sports, all the usual fun summer camp activities. Our goal is to provide the children with a safe, memorable experience that will not only build skills, but hopefully build their self esteem and confidence as well.

The supervision, staffing and administration of the camps will come from the agencies involved with this project. However, we are seeking donations to cover the extra costs associated with food, transportation and supplies. We would be grateful for any donation in this regard.

Your donation, questions or comments can be directed to Roger Blowes at the Band Council or to the Royal Bank, Happy Valley c/o the Sheshatshiu Children's Summer Camp Fund. Thank you for your consideration.

Sincerely,

Lyla Andrew MSW
Social Health Programs Coordinator
